

HELP NEEDED FINDING MISSING MEMBERS OF THE MEMBERS RETIREMENT PLAN

Below is a partial list of missing union members aged 65 or older who are members of The Members Retirement Plan ("TMRP") (formerly the "Teamster Members Retirement Plan" and the "GCIU Inter-Local Pension Fund"). Remaining names will be published in the summer edition of The Communicator.

These members might be entitled to a pension benefit from TMRP, and your help is needed to locate them. If your name is on this list, please contact TMRP as soon as possible.

If you know someone on the list, please let them know how to contact TMRP. Or you can contact TMRP directly and provide any information that might be helpful in locating them.

Our goal is to find every person entitled to a pension from TMRP so that they can receive the benefits they have earned.

All members must complete and submit a pension application before receiving any pension benefits. Pension applications can be obtained from TMRP office, your local union or TMRP's website (www.tmrplan.org). Since there have been many local union mergers over the years, we are listing the original local numbers.

Here is TMRP's contact information:
